Dear Len:

On behalf of the principals and employees of GLP Architects, PC, please accept this letter as a measure of our gratitude for the excellent work we accomplished together for the New Jersey Department of Environmental Protection at Assunpink Wildlife Center in Upper Freehold Township, New Jersey.

The project was designed on a difficult site and your firm's attitude of cooperation rather than confrontation made the project proceed smoothly, ahead of schedule and on budget.

Due to the excellent working relationship established during this project, we look forward to working with your firm again in the future.
