Letter of Commendation: The Hun School of Princeton

Dear Nick,

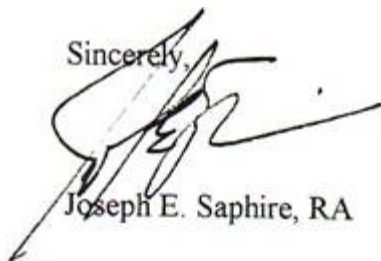

On behalf of the design team here at Saphire Associates, P.C., I want to extend my congratulations and thanks to Scozzari Builders Inc. for the work you did at The Hun School of Princeton last summer.

Both the new library and dining hall have been met with critical acclaim by staff, students and visitors. Your work and that of Alex Goosen, your superintendent, are responsible for a large portion of that praise.

The execution of the design intent and the care you and your staff showed in all phases of the project directly resulted in our ability to reduce project costs without sacrificing quality and meet our demanding schedules.

Thank you for your diligence and the commitment to quality your organization showed from beginning to end for these challenging projects.

I look forward to working with Scozzari Builders, Inc. and you again in the near future.

Sincerely,

Joseph E. Saphire, RA
