Gentlemen:

I wanted to drop you a note to let you know how extremely pleased we are with the final Dining Hall and Library renovation product. I know I've mentioned this before to each of you verbally, but felt moved to more expressly state our appreciation.

Given the compressed time frame with which you had to work, your success was even more impressive. On time/on budget is what we asked for and what you delivered — and, you delivered a quality end product as well. Adding to this positive experience with Scozzari Builders, Inc. was the outstanding responsive and open communications your team provided us at all times throughout the project.

We, and I speak for the entire administration of The Hun School, will be looking to your quality organization for additional support in the months and years to come. Thanks again for an outstanding job!!

With highest regards,

Richard L. Fleck
